- **PUBLIC COMMENT STATEMENT**

The Chatham Town Board appreciates information received from the public during the Public Comment portion of each meeting, which often is very helpful in the governance of the Town. It is, however, not intended to be a debate with the public or a question and answer period. Issues raised during the public comment may be addressed by the Board during its regular meeting or by the Supervisor between meetings as necessary. As a courtesy to the other members of the public, there is a 5 minute per person limitation on oral comments for each public comment period. The public is also encouraged to provide the Board with written comments or materials when the subject matter cannot be presented in this time frame. Of course, while the Board discourages any remarks which may be considered defamatory or stigmatizing, it will not restrict the content of the public comment.
